

This product is not compliant for sale and use in CA, UT, OTC states or LADCO states.

NON-ACID
NON-CAUSTIC
NON-CORROSIVE

CITRO 100 Degreasing Solvent is the safest alternative to using chlorinated solvents for degreasing metal surfaces. Heavy flushing action quickly dissolves and removes grease, grime, and oil. High pressure spray penetrates, loosens and lifts soil away. Parts can air dry leaving negligible residue, or be rinsed clean with water.

FOR USE ON:

Auto Motors, Garbage Cans and Trucks, Dumpsters, Concrete, Masonry, Road, Farm and Construction Equipment to remove grease and grime.

DIRECTIONS:

Direct actuator at area to be degreased, holding can approximately 8 inches away. Spray liberally. Allow to penetrate grease, tar or grime. For heavy deposits, allow extra time. For stubborn spots, agitate with a brush. Wipe area clean with a damp cloth or rinse thoroughly with water.

NOTE:

Do not spray into or on electrical equipment. Pretest on paints and plastics.

See Safety Data Sheet for complete safety information.
