

CITRA H₂O₂

Citrus Concentrate - The Only Solutions For All of Your Cleaning Needs

This product meets the Green Seal™ environmental standard for industrial and institutional cleaners based on its reduced human and environmental toxicity and reduced volatile organic compound content, with skin and eye irritation and acute toxicity met at the as-used dilution. With the super cleaning and deodorizing strength of hydrogen peroxide, our H₂O₂ formulas use citrus oils to penetrate surfaces and break down oils, while the hydrogen peroxide oxidizes the soil and stains, destroys odors and provides color safe bleaching. **CITRA H₂O₂** Citrus Concentrate is biodegradable, people safer and color safe. For use on tile & grout, floors, restrooms, showers, glass, stainless steel and as a spray & wipe cleaner.

FOR USE THROUGH DISPENSING SYSTEM ONLY

DANGER: UNDILUTED PRODUCT CONCENTRATE MAY CAUSE SEVERE EYE DAMAGE

Do not get in eyes, on skin or clothing. Wear safety glasses or other eye protection and rubber gloves when handling concentrate. Avoid contamination of food. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse. After product is diluted in accordance with directions for use, safety glasses or other eye protection are not required. Product, after diluted according to directions, is non-irritating.

STORAGE AND DISPOSAL:

In case of a spill: Clean up immediately. Place leaking container in well ventilated area. To clean up spill, flush with large quantity of water. Avoid run-off into storm sewers and ditches leading to natural waterways.
