

DISSOLVES GREASY SOIL & REMOVES DINGY FILM

EXTRACT ALL is a highly effective detergent system specifically designed for use on carpet and upholstery. It quickly and safely removes a wide variety of soil contaminants at economical dilutions. It leaves surfaces clean and bright with a clean fresh fragrance.

DIRECTIONS:

EXTRACT ALL may be used in hot or cold water extractor type carpet and upholstery machines. Dilution will vary with soil conditions. Start with a small amount and add additional **EXTRACT ALL** as needed.

Light Soil.....1 Oz. per 1 gallon of water
Medium Soil.....2 Oz. per 1 gallon of water
Heavy Soil.....3 Oz. per 1 gallon of water

IMPORTANT:

Check color fastness of carpet in an inconspicuous place before shampooing the entire area.

Contact your Wechem Sales Consultant for assistance in developing a complete floor care program.
