

Cleans Unsightly Stains

Apply, Let Dry & Rinse Off

DIRECTIONS

MILDEX 100 removes unsightly mildew stains on contact. **MILDEX 100** contains detergent, wetting agents and sodium hypochlorite, one of the most effective mildew stain removers available for all types of surfaces painted and unpainted. **MILDEX 100** is excellent for use on bathroom tile, grout, showers, shower curtains, mats, vinyl canopies, awnings, brick, concrete, auto and boat tops, before painting under eaves, refrigerator gaskets, patio furniture, ceilings, walls, wood or metallic surfaces and all surfaces exposed to water or moisture. It is not suggested for anodized aluminum.

DIRECTIONS

Just spray on from the bottom up and let dry. When mildew stains are gone, rinse with water from top down. Do not let product remain on surface for more than 1 hour. Test for color strength on paint and fabric, cut with water if necessary.

DO NOT MIX WITH ANY OTHER CHEMICALS.
Avoid contact of product with plants.
